In order to celebrate the Sacrament of Baptism for children under the age of 7, parents need to contact the parish office a couple of months in advance. A 2-hour class is offered 6 times yearly on a weekend, and it is required that both parents attend. This class is required to proceed with the Sacrament of Baptism.

Parents should select a Godparent (or 2 Godparents—a man and a woman), who is a practicing and Confirmed Catholic. Proof of his / her Confirmation will be required. Christian Witnesses can also participate in the ceremony, in addition to a Godparent, for those families who wish to include a practicing member of another Christian faith.

One weekend per month is designated as the Sacrament of Baptism weekend and IHM faith formation director can provide you with these dates. Those wishing to baptize in another parish are welcome to take our preparation class and will need to request a letter of proof / permission to provide the other parish.

Please contact our parish office @ 970-242-6121 and ask for Nicole Ruiz, IHM Director of Faith Formation, if you have any additional questions regarding Baptism or want to register for the January 23rd Baptism preparation class. Childcare will be available upon request for families participating in these classes.
